Citibank Savings Inc. will not be liable for any loss or damage that may result due to your failure to pick-up your ATM card, after the stated period. If you fail to claim your ATM card, we will be required to destroy the Card for your protection.

Ownership

The Card shall remain the property of Citibank Savings Inc. You agree that Citibank Savings Inc. may, at its sole discretion, suspend, block, terminate or cancel the Card at any time for any reason, with or without need of prior notice to you. Upon our request, you agree to surrender the Card to us immediately. You agree that Citibank Savings Inc. shall not be liable for the suspension, blocking, termination or cancellation of the Card. Linkage

All your deposit and loan accounts are automatically linked to your Card unless you specify otherwise in the Relationship Opening Form. All ATM transactions involving loan accounts are governed by the terms and conditions specific to the particular loan product.

Your ATM PIN is strictly confidential. For your own protection, you agree never to disclose your ATM PIN to anyone. All withdrawals you make with the Card outside the Philippines consist of two interrelated transactions: a withdrawal or payment at the Philippine branch, and a remittance to the country or such other jurisdiction where you make the transaction. Your right of withdrawal is thus subject not only to Philippine laws but also the laws and regulations of the country where you actually withdraw your funds. Your international ATM withdrawal shall be in a currency permitted at the institution which owns the ATM. The equivalent in US Dollars will then be debited against your Account.

The amount you may withdraw within and outside the Philippines shall be subject to such limits as Citibank Savings Inc. may set. Such limits shall

1. The participants and processors in the Citishare network;
2. The procedures they adopt in electronically transmitting or receiving data or information for your transaction;
3. The accuracy of such data/information; or
4. ATMs located outside the Philippines owned or operated by these Citishare network participants and processors and/or by the third party banks and ATM networks worldwide.

Accordingly, you agree that Citibank Savings Inc. shall not be liable for any loss or damage of whatever nature which you may suffer as a result of or in connection with the processing of your transactions through Citishare network participants and processors or through third party banks and ATM networks worldwide, including those arising from the collection, storage and communication of data relating to your Accounts or the electronic transmission or receipt of data or information relating to your Card transactions or Accounts, such as, without limitation:

1. In case you are unable at any time to use your Card or avail of any service due to the disruption or failure of communication facilities;
2. Arising out of any rejection, disruption, failure or delay relating to the use of your Card or availing of any service where such rejection, disruption, failure or delay is due to circumstances beyond the reasonable control of Citibank; or
3. Arising out of unauthorized or fraudulent access or utilization of your Card or any service.

Whenever you use your Card in ATMs outside the Philippines, you consent to:

1. The collection, storage, communication and processing of all pertinent data, such as your Account balance, by any means necessary to maintain appropriate transaction and Account records;
2. The release and transmission of all these necessary data to participants and processors in the Citishare network;
3. Their retention of these data; and
4. Their compliance with all applicable laws and regulations governing disclosure of information to which they are subject.

Available Funds in the Account

You agree never to use, or attempt to use, your Card for any transaction, such as withdrawal or transfer of funds, unless you have sufficient funds in your Account.

Conversion Rates

For international ATM withdrawals, you authorize Citibank Savings Inc. to debit from your Account the equivalent amount of any withdrawal or transfer you make in currencies other than the currency of your Account. Citibank Savings Inc. shall base the equivalent amount on the exchange rates determined by the Global Management at Citibank, N.A., New York, U.S.A. (Citi NY). Citi NY bases its rates on a certain spread above the prevailing interbank rates at 5 p.m. Eastern Standard Time.

More specifically, withdrawals against US Dollar accounts in currencies other than US Dollar (third currency) will be converted into US Dollars based on the rate set by Citi NY. For withdrawals from Peso accounts, the third currency amount is first converted to US Dollar in the manner provided above, and the US Dollar amount is converted to its Peso equivalent based on the exchange rate set locally by the Citibank Savings Inc. Treasury Group.

Transaction Records

The transaction records generated, kept and maintained by Citibank Savings Inc. shall be conclusive and you agree to accept and be bound by these transaction records.
