Pay through auto debit.

If you have a Citibank®, N.A. Philippine branch bank account, you can enroll into auto-debit to automatically pay for your card every month.

Auto-debit is a payment arrangement that automatically debits a specified amount from your bank account to pay for your credit card bill.

You can choose from either minimum amount due, total amount due or a fixed amount every month to be paid to your card account.

The auto-debit payment happens at 5PM of your due date. You will need to ensure that your account is funded at least 2 days before your due date so that the auto-debit can be processed.

Call CitiPhone® at +632 8995 9999 to enroll or talk to your account manager for assistance.

Pay through Citibank®, N.A. Philippine card payment express machines.

These are available at all Citibank®, N.A. Philippine branches and ATM Centers.
